

# MAHARISHI JYOTISH AND YAGYA PROGRAMMES

to Design Life Free from Problems

*The planets are constantly influencing our life. This influence can only be handled by programmes based on Maharishi Vedic Astrology. The basis of these programmes is the precise, mathematical calculation of birthcharts of individuals, corporations and nations. Through Maharishi Jyotish and Yagya Programmes it is possible to minimize and alleviate negative planetary influences and enhance positive influences.*

## **New Plan for Maharishi Jyotish and Maharishi Yagya Programmes**

For all our programmes, such as Maharishi Jyotish Consultations, Muhurta, Compatability and the Maharishi Yagya recommendations, the basis is the Comprehensive Life Kundali

The panel of experts in Maharishi Jyotish makes the Comprehensive Life Kundali. This Kundali is done only once in a life time and is used for all future consultations. From this Comprehensive Life Kundali the detailed predictions of every year can be calculated. With detailed studies of the planets at different times of the year and throughout the individual's life, a consultation will be always complete and reliable.

The data necessary for preparing a Comprehensive life Kundali:

- 1 Birthdate, time and place of the individual
- 1 Birthdate, time and place of the chosen relatives (mother, father, spouse, children)
