From a Biography of GURU DEV depicting the year 1944:

“The greatest worship of all of Bhagavati (Durga) was the LakShachaNDii MahaayaGYa (a great sacrifice for the benefit of the entire humanity) first performed in Lucknow. Hindrances in the worship of Devi (Durga) are natural, but by MAHARAJ SHRI (= GURU DEV, BRAHMANANDA SARASWATI) going to the place, all things became propitious. A second LakShachaNDii MahaavaGYa was accomplished in Udaipur State (Rajasthan)
